Great. I'm inquiring about rescheduling so that R9 can attend. Also asked that you be invited.

Thanks.

You make a good point for vis-à-vis R9!! I am not sure how to rectify that at this juncture. Perhaps you could mention that to Joles staff?

OK, I will followup with Joel's staff but that's a very early meeting for R9 to participate...!

I have a conflict so may not be able to attend. Are the rest of you available (Karyn, you may not need to go if Simma is available)?

Thanks.

Subject: Cargill

I just noted that the meeting with Roger Martella on Cargil with Joel on Thursday. Can you check in with Joel and/or Greg to see whether they need anything more on this before we have the meeting.

Additionally, last time we had folks from the region dial-in. Can someone see whether that has been arranged and if not, ask Joel's assistant to do so.

Finally I will attempt to forward the invitation to you, but if I don't manage to figure out how to do that it is Thursday morning at 9am. Please plan on attending.

Thanks
